CHEAP NAMED HYACINTHS,

For Forcing or Bedding.

These are preferable of course, to ordinary mixtures for forcing purposes generally, or for laying out gardens, parks, mosaics or special designs, where brilliant, distinct shades and perfect blooms are desired.

They contain the best “Standard” sorts, which have so much contributed to the fame of Holland bulbs, and the demand for them has been steadily on the increase.

I CARRY ALSO A FULL LINE OF

MEMORIAL WREATHS AND CROSSES,

Either in solid porcelain (white or decorated), or in metal (on wire frames), plain or ornamented with porcelain flowers, etc., all admirably adapted for cemetery use or decorative purposes. These goods are made by the best French and German artists and cannot be surpassed by any imported. I shall be pleased to mail price lists on application, or make an appropriate selection to any given amount.

For the plain metal wreaths and crosses, I furnish loose porcelain flowers on wire, such as Roses, Camellias, Pansies, Lilies of the Valley, Lilacs, Forget-me-nots, etc., at very low prices. This is not only a saving on the cost, but enables every florist to get up his own designs to suit his trade.

Inspection of my stock invited.

Note.—Anything in the Horticultural line not catalogued here can be supplied at lowest market prices.
